***** STAR COMFORT WITHOUT COMPROMISES
COASTERS - THE TOUCH OF
EXTRAVAGANCE

A sign of attentive service.

Simple elegance – standard embossing in silver print.

The finest embossments and perfectly coordinated colour shades in an uncompromising quality are what characterise our doilies and coasters.

An extremely high level of absorbency and the finest printing results both on wadding-soft 9-layer tissue and voluminous high-quality tissue with a PE coating will make an exclusive impression on your guests.

Choose a high-quality colour print, a decent blind embossed print or an optically luxurious high gloss foil embossment in keeping with your corporate design.

The exclusive accessories emphasise your first-class service no matter whether smooth surfaces, oval, round or square formats.

QUALITY PAYS

COASTERS MADE FROM TISSUE PAPER, AIRLAID MATERIAL OR ABSORBENT PAPER

MULTI TALENTED

It is often the small things, the love of detail which your guests will enjoy recalling. You always make the right choice when it comes to the versatile strongly absorbent coasters with various qualities.

You can also order larger quantities and benefit from the price advantage offered by flexographically printed absorbent papers without having to dispense with the tried and tested MANK quality. You can choose from dozens of formats and stamped edge embossments.

Love of detail

Incredibly strong – coasters made of tissue wadding and printed in up to 3 colours

A SIGN OF GOOD STYLE

PAPER CAPS - EASYGOING ENJOYMENT WITH THE

TOP STARS

MANK Paper Caps are also available in a short cap variety, with a small edge.

The MANK small paper caps are proven to be a real gem. They are hygienic and safe and protect all open drinks from insects and dirt particles. They are also useful to keep hot drinks warm and to hold in the aroma of tea or coffee. Complete with your individual logo, this isn't just an excellent advertising opportunity, but a first class sign of attentive service. An advantage that your guests are sure to notice.
